

 **SUPERIOR**
CABINETS

You're in great hands.

Since 1980, Superior Cabinets has been creating custom kitchens always focusing on one thing, your Dream Kitchen. Every kitchen we produce is designed and personalized specifically for your lifestyle, space, and budget.

Our belief is that the kitchen is a special place, a part of your lifestyle, and more than just cabinets. It's where you live, socialize, interact, relax and yes, cook. We know that this is a major investment for you and you have choices, which is why we put our best into every kitchen. We will work hard to earn your business and ensure your dream space turns into a reality.

On behalf of all of our employees, thank you so much for taking the time to learn about our offerings. Give us the chance to build your dream kitchen and we'll give you a space to create some amazing new memories.

What is FUSION?

The Painted Fusion Finishes Collection by Superior Cabinets features an assortment of over 30 top trending painted colors on MDF. If you crave a more dynamic look, consider one of our unique Handcrafted Painted Fusion Finishes. All Fusion Finishes are available on over 20 door styles, including One Piece or Five Piece MDF. This dynamic line was the winner of the Best of KBIS (Kitchen and Bath Industry Show) – People's Choice Award in 2017 and the 2013 Achievement In Business Excellence (ABEX) Award for Innovation.

Wood Five Piece Recessed Panel Door Styles WOOD

Our flat panel door styles are available in Oak, Maple, Hickory, Cherry, Rift Cut White Oak and Black Walnut. Door styles are shown with standard drawer fronts. More drawer front options on page 20. For wood products, we recommend 40 to 50% humidity levels be maintained in the home throughout the year in order to reduce or prevent the incidence of warping, shrinking panels or cracking of wood products. All door styles are shown on Maple.

The Marca Collection

Marca Handcrafted Collection

The Marca Collection is comprised of luxurious Handcrafted finishes created by our skilled finishers and available on Oak, Maple, Hickory, Cherry, Rift Cut Oak and Black Walnut.

The process to achieve these distinguishing finishes is artistic in nature therefore variation from piece to piece is characteristic and will add unique charm to your home. Since printing does not allow for accurate colour replication, please view an actual sample to visualize the warmth of these appealing finishes.
